**Notes** 

## Personal Journal

Have you experienced individuals scoffing at your faith? If so, in what ways?

What did I learn about God?

What did I learn about myself?

What will I do with what I just learned?

**Prayer List** 

Some people have a hard time believing that God created the world and that He once judged the world with a world-wide flood. Why do you think they struggle with that?

Do you think a belief in the second coming of Jesus is important to your walk with God? Why or why not?

In light of Jesus' second coming, how would you answer Peter's question in verse 11; "What kind of people ought you to be?"
