

## Notes

## Personal Journal

If God promised it would rain in 1Kings 18:1, then why do think Elijah had to pray seven times before the rain came?

Elijah said, "Go up, eat and drink, for there is a sound of the rushing rain." What can we learn about faith and prayer from Elijah's statement (1Kings 18:41)?

What did I learn about God?

What did I learn about myself?

What will I do with what I just learned?

How would you describe to someone what it means to pray ferently like Elijah (James 5:17)?

## Prayer List

Read 1Kings 17:19-22 / 18:36 & 37 / 18:42, and Matthew 6:5-9.  
What are the similarities between Jesus' instruction on prayer and Elijah's practice of prayer?  
What do you learn from your observations?
