Was there a time when you needed to step out in faith but were afraid of the possible consequences? Share your story.

What did I learn about God?

Read Esther 3:1-6. Mordecai's refusal to bow down led to the decree to kill all the Jews. Do you think Mordecai was justified in not bowing down? Why or why not?

What did I learn about myself?

If Esther had refused to go to the King Xerxes, would that have thwarted God's plan to save the Jews? Why or why not?

What will I do with what I just learned?

Prayer List

Read Colossians 3:12-14. As God's chosen what does Paul tell us to put on?
