# Porch Talks

Read 1 Corinthians 3:1-3. According to the Apostle Paul, is it possible to be saved and yet live like you are not saved? Why or why not?

What did I learn about God?

Read Galatians 5:16-26. How does walking in the Spirit keep you from gratifying the desires of the flesh?

What did I learn about myself?

If “walking in the Spirit” means being characterized by the things of the Spirit, then how would you explain “walking in the Spirit” to another person?

What will I do with what I just learned?

Would you say the average follower of Christ is aware of the need to walk in the Spirit? Why or why not?
