Notes

What did I learn about God?

The woman's response to the serpent's question was inaccurate on key elements of God's actual command. What elements were inaccurate and why are they key?

What did I learn about myself?

What will I do with what I just learned?

Why does the Apostle Paul indicate that original sin lays squarely upon the man's shoulders and not the woman's (Romans 5:17-19 / 1Timothy 2:14)?
