1 PETER

In 2:9 Peter calls us several things including “a people for His (God’s) own possession.” How does the fact that you belong to God effect the way you live life?

What did I learn about God?

What does Peter mean when he calls on us to proclaim God’s excellencies? List a couple of God’s excellencies.

What did I learn about myself?

Why do you think Peter use language like “wage war against your soul”? Does John 8:44, 2Corinthians 10:3-6, and 1John 2:15-16 help you understand why Peter uses this language? Explain your answer.

What will I do with what I just learned?

Practically speaking, why is it important to keep our conduct honorable among Gentiles (unbelievers)?
