1 PETER

What might be some reasons Peter thought it necessary to exhort elders?

What did I learn about God?

How do elders of a church “shepherd the flock of God” and “exercise oversight” (Acts 20:28-32 / Hebrews 13:17)?

What did I learn about myself?

What difference would it make in your life and theirs, if you prayed for your elders according to what Peter has written?

What will I do with what I just learned?

How do you clothe yourself with humility towards others (Romans 12:3)? Is clothing yourself with humility difficult to do? Why or why not?
