## 1 John 1:8 & 9

Are there SOME sins that you regularly fail to confess because you don't want to acknowledge that they exist?

In 2 Samuel 11 & 12 Nathan confronts King David with his sin. Do you have someone in *your* life that might do that for you?

In Jesus' parable in Luke 18:9-14 do you sometimes identify with the Pharisee?  
Does confessing your sin require humility?
